### Coeliac Awareness Week

A huge well done to Daisy in Mrs Pursehouse's class. She has raised £75.00 for Coeliac UK Research by completing a fundraiser of selling Coeliac Friendly cupcakes. She helped bake them and decorate them (which was her favourite bit!)

We are so proud of you Daisy and they look amazing!

### **Respecting Local Residents**

We have received a complaint from local residents about inconsiderate driving and parking on Kipling Rise on pick up and drop off from school.

Please respect our neighbours by driving and parking courteously. The relevant authorities have been informed.

### **The Big Ask survey for school pupils**

Last month the Children's Commissioner, Dame Rachel de Souza, launched [The Big Ask](#) – the largest ever survey of children in England. It asks all children about their priorities and concerns for the future, so that we can put children at the heart of the national recovery post-COVID-19. It is important that children give honest answers and encouraging them to complete this at home in their own environment will encourage this. There is also a parent and carer view. Access by clicking this link: [The Big Ask](#)

### The newly re-furbished outside classroom!

Our early Years outdoor classroom has been given a new look this term thanks to the purchase of a new soft surface floor covering, and the generosity of our Coton Green parents.

Thanks to Mrs Sanza's appeal for donations, the children now have a new mud kitchen, new tyres, pallets and cable reels for construction and creative play, more gardening equipment and water play opportunities. We have also been able to purchase some new storage to maximise the space in the area.

We are still waiting for the go ahead to put the mud kitchen in place, as we need to make sure the flooring is prepared for it correctly, but the children are already enjoying their outside learning even more than ever!

A huge thank you to everybody who brought items in to help with this project, and also to Mrs Sanza, who has coordinated this project and done such a fantastic job. Now we just need the sun to shine!
