A reminder of recent guidance due to rising cases of Covid-19 in the 5-10 age group in the locality.

- If your child develops symptoms of a high temperature, new persistent cough and a loss of smell / taste then you should immediately book a PCR test, keep your child off school with your child returning as soon as receiving a negative result and being well enough.
- If your child is a close contact to a positive case (e.g. within a household) you should immediately book a PCR test and keep your child off school. Your child can return to school as soon as receiving a negative result. The use of regular LFT tests in this case could also support the attendance of your child. However, if your child subsequently becomes symptomatic you should seek to retest your child with a PCR.
- We would strongly advise that if your child has a high temperature / headache / cough that you also seek a PCR and follow the above procedures.

Whilst this is only guidance, we would appreciate parents working with the school to ultimately protect the wider picture of attendance across the school.

Polite Request: KS1 Children.

Could you please not send toys from home with your children as this is causing unnecessary problems during playtime and lunch times in particular.

If your child has an attachment to a particular toy, please speak to or email your child's teacher regarding this.
