

### Year 6 Additional Maths Lessons

Starting from Thursday 12th January Year 6 will be invited to additional Maths Lessons. These sessions have proved invaluable in improving both children's fluency, problem solving and reasoning skills.

The lessons will be led by Mrs Tanner, Mrs Holbrook and Mr Newton

The lessons will start at 8.00 and end at 8.40am. Your child is welcome to bring a school snack to eat when the lesson has finished.

Letters are coming home tonight and can we ask that you complete and return the slip to give permission for your child to attend. Thank you for your support.

At the Arthur Terry Learning Partnership, children are at the heart of everything we do. Our aspiration, through our 'One Trust' vision, is to bring an inspirational and highly ambitious education experience to all children, at each and every one of our schools.

To help deliver this, we are delighted to announce the launch of our **Learning Futures** project, which will enhance education through the use of digital technology for all our students at Coton Green Primary and the Arthur Terry Learning Partnership.

The core objective of **Learning Futures** is to immerse and embed technology within learning and teaching, enhancing opportunities and outcomes for all. To facilitate this, we have committed to provide every child with the technological tools to help prepare them for a future that will require a wide range of skills and knowledge.

As you may be aware, Coton Green Primary is in Phase 1 of **Learning Futures**. This means that every child from Year 1 to Year 6 will receive a fully funded iPad to use in lessons and at home on Friday 13<sup>th</sup> January 2023. We have received a further allocation of iPads for the reception classroom.

It is imperative that pupils bring their iPads into school fully charged **every day** starting from Monday 16<sup>th</sup> January 2023. There will also be further details for a quick and fun family activity to complete and the children will be able to access familiar sites such as TT Rockstars.

To help make **Learning Futures** a real success, we are committed to ensuring you, as parents or carers, will have all the information and support you need to engage with this exciting stage of your child's time with us. Please be assured of extra safeguards attached to the iPads that includes full monitoring and filtering. There is also an additional application that allows Parents and Carers even more control of the device outside of school hours. This is called Jamf Parent and full details are available on the school website link below. Please familiarise yourself with the below policies and website related to the ATLP Learning Futures Project:

We look forward to the launch of the Learning Futures Project and seeing the transformational impact it will have on all those within our school community.
