Dear Parents and carers,

It has been a busy week in school and none more so for our Year 6 who have been completing their SATS.

I would like to commend each and every one of them for their outstanding attitudes and positive mindsets this week. They have been brilliant, coming in at 8:00 to get some hot toast and a drink, to be with each other prior to the tests for some last-minute reminders and supporting each other in the best possible way.

The recent trip to the residential for our Year 6 children really bonded the children as a team and it has been great to see the support they have offered each other in what otherwise could have been a really stressful week. Stronger together!

Our Year 2 children have also been completing their SATs but they have been delivered as quizzes with the children saying that they have been 'really enjoying these quizzes!'. They will continue over the next week.

I would like to commend our teaching team who have prepared the children with the balance of giving the children the best preparation possible but keeping this in proportion and maintaining a broad and balanced curriculum.

This is just a snapshot and we are very proud of all of our children as they work hard every day in school.

I wish all but especially our Year 6 children a fantastic, relaxing weekend.

Mr Richard Osborne

# Standon Bowers Continued...

Dear Year 6,

Thank you for being so fearless, courageous and generally amazing during our week at Standon Bowers. We are sure that you will have made some memories that will last forever. For some of you, it may have sparked an interest in something that you would love you try again. For that reason, here is a guide to some of the things that you can find locally.
