CHILDREN'S UNIVERSITY GOLD GRADUATION AWARD CEREMONY

On Wednesday, we took 40 children from Coton Green to the 'University of Birmingham', in Edgbaston, to receive their Children's University Gold Award. Children went on a coach to the university and many parents and Grand-parents were able to attend the award ceremony. ATLP had organised for the children to wear a cap and gown, and then they went on the stage in the Great Hall to receive their badge and certificate. Some children received extra recognition because they had gained 200 hours!

A super day was had by all! We are all so proud of all of you! Let's hope we have even more on the stage next year! Well done Coton Green!

SUN SAFETY

Children are reminded to bring in sunhats and sunscreen (labelled) as the weather is now warming up.

Please make sure children arrive at school with a drink bottle for the day.

Drinking water is available to top up bottles in school during the day.

Please also be aware that children need all uniform **labelled**, especially cardigans and jumpers.

This will make it much easier to return uniform to the correct pupils.

PLAYGROUND SAFETY

Please can we also ask that children and adults do not ride bikes on any of the playgrounds before and after school to avoid any accidents on the school site.

Please can you also refrain younger siblings from playing ball games and using playground equipment whilst waiting for Pupils to come out of school.

Thank you for your continued support

BE SMART ONLINE

S

SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M

MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

A

ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R

RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T

TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline - 0800 11 11 or www.childline.org.uk

BE SMART WITH A HEART

Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
