This year we will be celebrating Harvest Festival on Tuesday 17<sup>th</sup> October. We shall be holding a celebration assembly where we will be thinking about how our food is grown and farmed, and also the important work that is carried out by food banks to help support the community.

As usual, we are giving our support to the Trussell Trust food bank which supports our local community and are asking that if you feel able to contribute, could you send in an item from the trust's list on the morning of the assembly.

Thank you for your support.

## **SCHOOL NEWS....**

### **Parents can you help?**

#### **Spotlight assemblies-**

One of our aims at Coton Green is for the children to be aspirational and reach for the stars! In order to inspire the children, we are going to introduce spotlight assemblies where we can learn more about different jobs and careers. If you are or know someone who is a chef, vet, engineer, pilot, electrician etc please get in contact with us!

#### **Parent Forum-**

We have sent a letter about starting a Parent Forum group. We'd like to welcome parents into school to discuss how we can make Coton Green even better! We want to ensure we are developing great relationships with Parents, where we can work together to get the very best for children at Coton Green. If you are interested get in contact with us via the school office email with FAO Mrs Eccles as the subject.

### BE SMART ONLINE

# S

### SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

# M

### MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

# A

### ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

# R

### RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

# T

### TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline - 0800 11 11 or [www.childline.org.uk](http://www.childline.org.uk)

### BE SMART WITH A HEART

Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
