### Attendance

**Our school attendance target is 96%**

### **The School Day**

A reminder that the school day starts at 8.50am and the registers close at 8.55am. The school doors are open at 8.45am to allow the children to get in with plenty of time to be settled. Once the registers have closed then your child is marked absent and this will affect their overall attendance. The school day

Finishes at 3.15pm for EYFS 3.20pm for KS1 and 3.25pm for KS2.

### ***Please note if your child is late then this will count as an absence***

The table below demonstrates how much school children miss if they are absent, and it is surprising how this adds up. We are fully aware that the circumstances around illnesses that children have picked up are unavoidable for the majority of absences. The aim of this initiative is the positive promotion of attendance for all.

If your child misses...	That equals...	Which is....	over 13 years schooling
1 day every 2 weeks	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Over 8 years

### ***Why does attendance matter?***

Statistics show that pupils with good attendance have higher attainment in school and studies show that children with attendance above 96% make better progress socially and academically. With the focus and development on the curriculum that has taken place at school, children who are absent will have gaps in their sequential knowledge. For our younger children, both attendance and punctuality are extremely important as they go straight into their phonics groups after the register has been taken.

### ***Working Together***

We will be working with you to keep you updated on your child's attendance by sending out letters at key points to inform you of your child's attendance should it go below 90%. If this is the case, we'd like to invite you in to find ways to work together to support your child's attendance.

### BE SMART ONLINE

# S

### SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

# M

### MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

THINK UK KNOW

# A

### ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

# R

### RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

# T

### TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline - 0800 11 11 or [www.childline.org.uk](http://www.childline.org.uk)

### BE SMART WITH A HEART
