Attendance

Our school attendance target is 96%

The School Day

A reminder that the school day starts at 8.50am and the registers close at 8.55am. The school doors are open at 8.45am to allow the children to get in with plenty of time to be settled. Once the registers have closed then your child is marked absent and this will affect their overall attendance. The school day

Finishes at 3.15pm for EYFS 3.20pm for KS1 and 3.25pm for KS2.

Please note if your child is late then this will count as an absence

The table below demonstrates how much school children miss if they are absent, and it is surprising how this adds up. We are fully aware that the circumstances around illnesses that children have picked up are unavoidable for the majority of absences. The aim of this initiative is the positive promotion of attendance for all.

If your child misses...	That equals...	Which is....	over 13 years schooling
1 day every 2 weeks	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Over 8 years

Why does attendance matter?

Statistics show that pupils with good attendance have higher attainment in school and studies show that children with attendance above 96% make better progress socially and academically. With the focus and development on the curriculum that has taken place at school, children who are absent will have gaps in their sequential knowledge. For our younger children, both attendance and punctuality are extremely important as they go straight into their phonics groups after the register has been taken.

Working Together

We will be working with you to keep you updated on your child's attendance by sending out letters at key points to inform you of your child's attendance should it go below 90%. If this is the case, we'd like to invite you in to find ways to work together to support your child's attendance.
