One of our pupils has organised an amazing event in memory of her late mother for this weekend.

After much thought, she asked her dad to contact one of the DJs they watch during lockdown parties to see if they would be interested in doing a charity live stream. A number of conversations followed and the initial idea grew considerably and has now formed into a full 24-hour event with 10 DJs from all over the country.

Mollie has been heavily involved in all aspects of organising this event, including coming up with the original concept.

The event, called The Big 24 Show is happening Saturday 24th April, starting at 12pm Live on Twitch (a free streaming App) and is raising funds for the Midlands Air Ambulance and Epilepsy Action charities. So far, donations received to the JustGiving pages and direct to Mollie and her dad total just over £800.

The event details and JustGiving page links can be found on the Facebook page 'The Big 24 Show.'

The event is easy and free to attend. Simply download the free Twitch App. Search for Colins80sroadshow and enjoy the show. Mollie will also be doing shout outs during her 8pm set, so get involved in the chat and you could be famous!!

All here at Coton Green Primary School, we are very proud of Mollie for organising such an exciting event and raising money for charity. We wish all involved the very best of luck for a successful event!
