Dear Parents and Carers

As you are aware, last term we were delighted that we achieved the Bronze 'STARS' award.

The next step is to achieve Silver and eventually Gold. For us to achieve these we need to have a group of children to be our 'Travel Ambassadors'. We also need to demonstrate that the whole school community is involved with the travel activity of the school, including devising achievable targets and actions which will have an impact. We also aim to involve our local councillors, MPs, Mayor, Police and the Safer Neighbourhood Team.

As you can see, this is an in-depth scheme with the overall goal of making a shift in sustainable travel methods. In order to achieve this, our ultimate aim is to reduce the congestion around the school gates by making parking in the 10 minute walk zone more appealing. This shift in transport methods will, we hope, encourage parents and children to make their journey to school more active with a short walk/bike/scoot before school.

If you have ideas, some time to spare, suggestions or contacts and would like to form a small working party to work on achieving this important goal, please pop in and see me - no matter how large or small the contribution you feel you can offer, volunteers to join this working party will be much appreciated.

As a school community we are very lucky to have many diverse talents, interests and contacts amongst us! We are also very lucky to have a school community who wants to help all of our children to be the best that they can be. Please help me on this project to enable our children to become healthier, happier and more active.

Thank you in advance and I look forward to hearing from you soon!

Miss Wesley
