

PTFA NEWS

Dear All,

During these difficult times, we would like to continue to support the children and the school, by continuing to provide those extras, the school would not otherwise be able to provide.

Previously we have generated funds to provide sports equipment, Ipads and books for each classroom, to name but a few. This year fundraising will be used to purchase some more Ipads, for the different classes.

During these difficult times, it's more important than ever to continue to raise these funds. We are working hard to be able to continue to fundraise, but we need your help! If you would like to be involved as a member, have any ideas, please let us know.

We have some exciting new fundraising opportunities coming up! Please support us, in any way you can.

Please follow our Coton Green PTFA Facebook page, where we will provide regular updates, as well as posting on the school newsletter.

Please see below details of the Drop Shop project at Sacred Heart Church, Glascote

The project is funded as part of the VCSE Partnership successful lottery grant and offers families and other people who may be struggling to buy food the opportunity to access donated food at an affordable price - based on a fixed cost per bag.

WHAT IS THE DROP-SHOP PROJECT?

A pop-up shop conceptualised and operated by 'Hive Foundation' and staffed by their amazing volunteer team 'Tamworth Volunteer Support Group' enabling those most in need in our community suffering from food poverty as a result of the current pandemic to 'drop' in to purchase food + key items for a very very very cheap fixed price.
