Rawlett Cooking

This week two out of our three Y5/6 classes took a trip down to the local secondary school, Rawlett, where Mrs. Bounds (the cooking teacher) taught us how to make a delicious handmade pizza. First, we put on our aprons and found our workspace.

Then, Mrs. Bounds showed us a few simple instructions on how to make the dough. Once that was made, and rolled out into a circle, we had a choice of toppings which we then laid out on our pizza base these included: pepperoni, ham, pineapple, peppers, sweetcorn and cheese.

After that, we put them into the oven and started to wash up. After 15 minutes of waiting they were ready! We got them out and put them on the cooling racks and then continued to tidy up. They were delicious!

Although not all classes have gone yet, we would like to thank Rawlett High School for the wonderful time we had and the new skills that we have learnt!

Y3/4 Inspire Workshop

Thank you to all parents who supported the workshop this week. It was great to see so many of you taking part and working alongside the children.

The reading was really helpful and will help us with our child's reading at home – going deeper into a book rather than just reading the text.

The spelling games are really helpful resources, we really loved doing these.

Can we have another one of these on Maths?

Aston Villa Football Tournament

On Tuesday 8th November, our Year 6 football team took part in the Aston Villa Tamworth Tournament at Rawlett Leisure Centre.

Upon arrival the Year 6 football team were raring to go. They entered the pitch with excitement running through their veins.

During their warm up, Mr. Osborne and our captain Dylan S. observed the other teams playing their first match. Wow, they were good! But Mr. Osborne and Dylan S. (our captain) were confident. It was time for our first match.

Due to the determination and patience, the victory was ours. 1-0. We were not scared to take a shot, however far out it was! George A. was fearless when tackling and we cannot count how many times Declan H., our goalkeeper, saved us from a draw.

In our next match, we had a 4-0 victory after the beautiful play. But then we thought that we had met our match... We were 1-0 down to Three Peaks. Brilliant football was being played between our two wingers Max R. and Jake A. and our striker Joshua E. We were back in the game with a superb back heel from Joshua E. The end score was 1-1. We were doing very well indeed. Our whole squad were playing well with Mathew J and George H also contributing with some fine performances.

By the time all scores of the group stages were in. It was down to goal difference. The tension was building. The winners of the group stage B was Coton Green! The cheers were incredible, the smiles on our faces. We were even closer to victory.

Our next match was against Longwood in the quarter-final match, where we dominated the match and ended up going through to the semi-final to play Dosthill, our rivals.

Sadly, it was not to be and within the first few minutes, Dosthill were dominating 1-0. We kept our heads high and tried to hit them on the break but before we knew it, the match was over and ended 2-0 in the semi-finals.

Mr Osborne commented: "I am so proud of the boys. They played with great determination, team work and talent. We played some terrific football with some amazing performances throughout the squad. It was disappointing to lose in the semi-final to the eventual winners but I think they probably deserved it on the day. I am looking forward to some matches later in the year with these talented players as they were a pleasure to coach. As always they represented our school's values of hard work, commitment and fair play at all times."

BE BRIGHT AND BE SEEN

AT THIS TIME OF YEAR, IT'S IMPORTANT TO BE BRIGHT AND BE SEEN WHEN YOU ARE OUT AND ABOUT NEAR ROADS. THERE ARE LOTS OF WAYS TO BE BRIGHT THIS WINTER.

BE BRIGHT

Wear fluorescent or brightly coloured clothing when walking to and from school - it shows up well in daylight and at dusk.

REFLECTIVE

When it's dark outside, wear reflective clothing to be seen in car headlights. Reflective vests, shoes or wristbands work well.

IMPROVE

Improve your visibility with accessories: clip on reflectors, armbands and stickers added to your coat or bag are a great way to improve your visibility.

GREEN CROSS CODE

Always choose routes and crossing places that are well lit and remember to use the GREEN CROSS CODE.

HEADLIGHTS

If you like to cycle, it's the law to have clean and working headlights on your bike at night (white at the front, red at the back) as well as a rear reflector. It's good to fit spoke reflectors too.
