Dear Parents, Carers and Children

Creative Arts Week:

I am pleased to announce that during the week commencing Monday 20th June we will be holding a special 'Creative Arts Week'. We have been able to secure the services of a number of artists, musicians and specialist teachers to deliver a series of workshops to our children around the theme of 'COLOUR'. Alongside this, our teachers have been busy planning a range of creative activities for the week. There will be no charge for these workshops.

Here is our programme of events so far:

Monday and Tuesday:

African Ark – Dance Workshop based upon African influence in Rio de Janeiro including the colour of carnivals!

Wednesday:

Colour in religion – a presentation of how colour is used in different religions around the world.

Thursday and Friday:

Kalillo Drumming Workshops. Painting with sound!

Other activities planned include 'Crazy Mary' textiles workshop for years 5&6, animation, Spiral painting, photography and other media work. Look out for further information about the week including a consent form for face painting. It would also be a good idea to provide an old oversized shirt to act as an apron so the children do not ruin their school uniform when being creative.

Sporting Activities:

Over the next few weeks, our teaching team will be out and about with parents at many after school sporting events. Can I take this opportunity to thank you for your support and patience with these events. Often we are told at very short notice from event organisers and we are very lucky to be able to have so many members of staff and parents prepared to enable the children compete. Let's hope this summer term brings with it several more trophies to add to our collection.

For your information here is a list of the events that we know of so far:
