REMINDER

It has been brought to the school's attention that a number of dogs have been on site during drop off and collection of children.

Please note it is school policy that dogs are not allowed on school premises and this includes leaving dogs unattended at school entrances.

Although I am sure the risk would be minimal not all children in school are confident around dogs.

The safety of all in our learning family is our number one priority. We thank you for your cooperation in this matter.
