SCIENCE FAIR

HOW DOES...?

Coton Green Science Fair will take place on 3rd July.

Please could entries be handed to Miss Stevenson by 1st July, this could include a poster, models, photographs or a video.

You can work and plan on your own or with a partner. You must produce a visual display to accompany your experiment (including your names, age and year group) and you will need to be able to demonstrate (via video or photographs if it's messy or time consuming!) and explain the science behind your investigation to an audience - keep it simple.

You will gain extra credit for linking your demonstration/investigation/experiment to a scientist, especially if you can raise awareness of lesser known scientists.

For ideas you may wish to use books or web sites, such as

www.sciencebob.com and www.sciencekids.co.nz

The best KS2 entrants will go forward to represent **Coton Green Primary School** at the Rawlett science fair, along with other primary schools from the local area, on **Friday 12th July**.
