Working Party – Sustainable Travel Methods

A plea from Miss Wesley - We need your help!!!

If you have ideas, some time to spare, suggestions or contacts and would like to form a small working party to work on achieving important goals, please pop in and see me - no matter how large or small the contribution you feel you can offer, volunteers to join this working party will be much appreciated.

As a school community we are very lucky to have many diverse talents, interests and contacts amongst us! We are also very lucky to have a school community who wants to help all of our children to be the best that they can be. Please help me on this project to enable our children to become healthier, happier and more active.

Thank you in advance and I look forward to hearing from you soon!

(I can be found in the mobile!!)

Procedures for inclement weather

Snow fall does not trigger a closure of a school and we are aware of the impact snow can have on travel. Therefore, we will make allowances for lateness and arrangements for early pickups to allow for any severe travel disruption as a result of inclement weather.

However, in extreme cases there may be no other alternative than to close, or part close the school. In such an event notification will be available through a number of sources, however our most efficient would be to use our facility to send texts and emails to you (please ensure we have your email and mobile number).

We would endeavour to make any such decision as early as possible and would only close as a last resort.

Other notifications will include:

- local radio stations
- Staffordshire school closure website
<http://www.staffordshire.gov.uk/education/schoolsandcolleges/emergencyclosures/schoolclosurelist/schoolclosurelist.aspx>
- **You may also wish to sign up for alerts:** [Sign up for school closure alerts](#) via text message and email, to be kept informed if our school is closed. This is a simple procedure where you just need to register your details to trigger a notification.
