Reminder

As an extra precaution, could we please ask that face coverings or masks are worn by **ADULTS** dropping off and picking up children on site. We will have to rely on parental support as this will be almost impossible to police but would hope that with the support of the majority, most, if not all, will comply.

This does not apply to pupils, as under current advice, children under 12 are exempt from wearing face coverings. Please also be mindful that some adults are unable to wear masks due to medical conditions and disabilities that are not always visible.

The additional advice following last week-end's announcement from the government can be viewed here: [CLICK](#)
Associated Risk Assessment updates are being completed. The existing measures at Coton Green Primary are compliant with the latest advice but associated risk assessments have been updated here:

May we also remind parents to keep to their allotted timeslots.

Many thanks for your understanding and continued support.

Supervision of Children

Due to staggered starts and pick up times, please be aware children are the responsibility of parents once they have been collected and before they are dropped to their classrooms.

It is difficult for school to be responsible for any incidents that happen between children when they are in their parents' care, even if on school site.

Please remember that the Pirate Ship should not be used during these times.

Thank you for your continued support.

Children in Need

We would like to say a huge thank you to everyone who contributed to our Just Giving page for BBC Children in Need.

Don't forget you can still contribute by clicking here:
