Tuesday	Netball Club	Aston Villa KS2 (1 of 6)
Wednesday	Running Club KS2 / Netball Club	
Thursday		Library Club 3.30 pm – 4.00 pm
Friday	Singing Club	

September 2018

Dear Parents and Carers

Welcome back to a new school year! After our enviable successes in competitive sporting events last year, I am excited to be developing my role as P.E. leader further and this year I will be working with outside agencies, staff, children and parents to further develop positive attitudes to healthy lifestyles.

At Coton Green, we aim to encourage children to choose a healthy lifestyle and, over the course of the year, we will be exploring ways to make this fun and to demonstrate, to children, the benefits of making sensible and informed choices to both their physical and emotional health.

Our first project this year is hydration and the importance of drinking water. As you are all aware, it is important that children stay hydrated throughout the school day and, as such, we encourage them to have clear water bottles in class. These bottles should be filled with tap water (which can be re-filled throughout the day) rather than flavoured waters, or squash as research has suggested these have high sugar contents and have a detrimental effect on children's teeth. By drinking tap water throughout the day, this can help children to reduce the amount of sugar they are taking in unconsciously on a daily basis, giving them the best start to developing a healthy lifestyle. The second reason that we ask for tap water only in classroom bottles is that, should the water get spilled, there is the potential to leave a sticky mess, damage children's work and attract ants into class, none of which we want!

A flavoured drink as part of children's lunch is, however, perfectly acceptable and please remember that children up to the age of 5 receive free milk and children over 5 have the option to buy a carton of milk from the kitchen at break for 25p.

Please look out for our next round of Parent Workshops that will continue to promote healthy lifestyles in our learning family. They will be focused on creating healthy (and tasty!) snacks.

And finally, if you would like to 'clock-up' some extra steps and encourage children to become more active, have you ever considered being part of a 'Walking Bus' to school? Studies have shown that fewer children are walking and biking to school, and more children are at risk of becoming overweight. Implementing a walking school bus can be a fun and sociable way of getting some exercise. A walking 'school bus' is simply a group of children walking to school with one or more adults. If you are interested, please drop me a note, or pop in and see me and I'll help you to set this up.

Thank you for your continued support.

Miss Wesley
P.E. and Healthy Lifestyles leader

School Dinners

A reminder that all children who have moved into Year 3 will now need to pay for their school dinners which are priced at £2.25 (*please pay ParentPay*).

School Milk

If your child is over 5 years of age and would like milk at a cost of 25p, please inform your child's teacher.

REMINDER

It is school policy that dogs are not allowed on school premises at any time.

This includes leaving dogs unattended at school entrances.

The safety of all in our learning family is our number one priority.

Thank you for your co-operation in this matter.

Stranger Danger Alert

After reports from other local schools of pupils being approached by two men in a black transit van, our teachers spoke to our older children about keeping safe around 'strangers'.

Please reinforce this message, especially if your children walk to and from school without adults.

Morning Break Sales

Toast	30p	Veggie Stick	30p
Cheese on Toast	60p	Jam on Toast	35p
