

Pupil Premium Strategy and Recovery Premium Statement

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Coton Green Primary School (ATLP)
Number of pupils in school	317
Proportion (%) of pupil premium eligible pupils	14% (43 children)
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021-22 2022-23 2023-24
Date this statement was published	September 2022
Date on which it will be reviewed	September 2023
Statement authorised by	Mr R E Osborne
Pupil premium lead	Mrs E Pursehouse
Governor / Trustee lead	Gareth Astle

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£72,630 (based on 43 pupils)
Recovery premium funding allocation this academic year	£ 6,815
National Tuition Income	£5,872
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£ 0
Total budget for this academic year	£85,317

Part A: Pupil premium strategy plan

Statement of intent

At Coton Green Primary School, we aim to offer a stimulating and inspiring learning environment to all our pupils, where they feel safe and ready to learn. All pupils experience a broad, balanced curriculum which engages and motivates them. All staff at Coton Green have high expectations of all pupils, and pupils have high aspirations for their own future. Our main aim is that the attainment and progress of disadvantaged pupils at Coton Green Primary School is at least in line with their peers with similar starting points who are now eligible for the Pupil Premium.

All children have access to high quality first teaching to enable them to thrive academically and socially. In order to do this, we engage in a range of strategies to issue challenge at an appropriate level and provide support to overcome barriers to learning.

Key interventions and approaches are adopted on a whole school level. Our strategies target the individualised needs of our children in receipt of Pupil Premium where funding is allocated within the school budget by financial year. The budget enables us to plan our intervention and support programme year on year, based on the needs of the current cohort of children in receipt of Pupil Premium funding.

At Coton Green our current strategy prioritises teaching of core skills such as early reading and mathematical conceptual understanding. Funding also provides equal opportunities to the wider curriculum such as subsidised music tuition. In addition to this, access to specialist services for disadvantaged pupils is also provided. E.g. EWW support, family support and specialist teaching. Coton Green also acknowledges the importance of supporting teachers with high quality CPD, resources and evidence-based approaches to the curriculum, in order to improve the outcomes for children.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	In some subjects and in some year groups, current data shows that there is a gap developing between PP and non-PP. I.e.: Current Y4 Maths (50% 83%) Current Y5 Reading +Writing (57% 70%) Current Year 6 Reading (67% 89%) maths. (50% 74%)
2	KS1 attainment was lower than other cohorts showing the impact of Covid particularly on these year groups. School has ambitious and challenging targets for pupils in Year3 for Reading for 2022 – 2023.
3	The attendance for PP children 2021-22 was 93% Even though attendance for most year groups is above national for Pupil Premium children, the school has set an attendance target of 97% for the academic year of 2022-23.
4	The PP group in school have complex family circumstances that impact pupil's welfare. For example, the PP group have a dis-proportionate amount of pupils accessing further support through LAC (Looked After Children), Early Help, Malachi Support or Child Protection.

5	Mobility: Pupil Premium children who join Coton Green from another setting historically perform less well than those who have been at the school since EYFS. This group has higher mobility than non-pupil premium
6	As a result of Covid-19 restrictions, pupils social, emotional and mental and physical health is less developed. This has impacted on pupil's behaviour for learning, self-esteem and independence.
7	Parents have also been isolated from school, especially those from a dis-advantaged background themselves. This has in some cases and dis-proportionately to the PP group led to less engagement in education (e.g. attendance at Parent consultations, PP homework, MS Teams).

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>The progress and attainment of pupils in receipt of Pupil Premium across the school, is at least in line with their peers with similar starting points. This is the case for all prior attainment groups.</p> <p>In particular for 2022:</p> <ul style="list-style-type: none"> - Lowest 20% readers in each cohort - Year 2 writing - Y4 Maths - Y5 Reading +Writing - Year 6 Reading and Maths 	<ul style="list-style-type: none"> - Monitoring and pupil outcomes show that, teaching and learning is consistently good or better. - Planning for pupils encompasses the tiered model approach: <ol style="list-style-type: none"> 1. High quality teaching. 2. Targeted academic support 3. Wider strategies. - Targeted CPD for Maths and English ensures staff have a good knowledge and understanding of the pedagogy of these subjects. - Small group evidence-based interventions (reading and maths) for disadvantaged pupils falling behind age related expectations are in place and monitored for effectiveness.
<p>All pupils in Year 3 make accelerated progress so that attainment is in line with National or above.</p>	<ul style="list-style-type: none"> - The three-tiered approach is used to raise attainment in Reading: <ol style="list-style-type: none"> 1. High quality teaching. 2. Targeted academic support 3. Wider strategies <ul style="list-style-type: none"> - CPD and coaching sessions lead by the English lead and Phonics' lead ensures teaching and learning is at least good. - Children make expected or better than expected progress.

<p>Pupil Premium children's attainment and progress in Maths Reasoning and Problem Solving Y1-6 means that they achieve as well as their peers in school and nationally.</p> <p>All pupils to improve mathematical fluency and recall through digital technology.</p>	<ul style="list-style-type: none"> - CPD and coaching sessions lead by Maths lead ensures that all staff members have an awareness of the maths vision, mastery model and the importance of a consistent sequence of learning. - Children who need to make accelerated progress receive quality first teaching, high quality targeted intervention. - All children have access to T.T.Rockstars which enables them to access to fluency opportunities at home. - White Rose 1 minute maths to improve subitising, fast recall and fluency of Maths
<p>For all learners to have access and participate in the Children's University Scheme funded by ATLP. so that they can make the most of their abilities and interests.</p> <p>Through participating in this scheme children will have the opportunity to raise their aspirations, celebrate and boost achievement and foster a love of learning,</p>	<ul style="list-style-type: none"> - All children have access to participate in the Children's University Scheme. - Children have the opportunity to participate in a variety of extra-curricular enrichment activities - Participating in extra-curricular activities, means that it is having a positive impact on attainment and building self-confidence and resilience. - All children who participate show a positive impact: raise their aspirations, celebrate, and boost achievement and foster a love of learning. - The focus control group of Pupil Premium children across the school, access the Children's University the same or better than the non-pupil premium children.
<p>Social, Emotional and Mental Health outcomes for children are improved across school so their readiness to learn is improved.</p>	<ul style="list-style-type: none"> - Senior Mental Health Lead to receive training so that a strategic plan is in place to improve outcomes for children - Pupils and families are well supported by pastoral leads in school. - Teaching and learning of PSHE/RSE specific topics meet the needs of all learners and school context. It is a key part of prevention and promoting awareness of mental health. - Pupil premium children's social, emotional and mental health needs are being identified and appropriately supported. - Well-targeted and effective pastoral care ensures that our most vulnerable disadvantaged pupils are fully engaged in all aspects of school life. - Use of 'My Concern' and 'BromCom' to record and analyse incidents and measure progress and improvements.

<p>Assessment for Learning (AFL) is effective and consistent to ensure planned and in the moment, learning is meeting the needs of all children.</p>	<ul style="list-style-type: none"> - AFL Rubric is implemented so that formative assessment is accurate, and it impacts positively on teaching and learning on a daily basis. - AFL is central to classroom practice. - Retrieval of prior knowledge creates a stronger memory and so information is transferred to the long-term memory. - Effective questions create connections. - Effective feedback means pupils and teachers know how well the children are doing and what they need to do to improve.
<p>All disadvantaged pupils will arrive at school on time. They will meet national expectations for attendance and persistent absenteeism.</p>	<ul style="list-style-type: none"> - The attendance target for the whole school is 97%. Disadvantaged children will match or exceed this target. - Parents are actively engaged in supporting their children's learning at school. - Attendance/punctuality is monitored and any persistent absenteeism (and late registration) is followed up by working with parents on the importance of attendance. - The school has positive working relationships with families so that teachers are able to recognise individual needs. - Children are rewarded for attendance and punctuality in whole school celebration assemblies.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: c.£37,346

Activity	Evidence that supports this approach	Challenge number(s) addressed
Embedding RWI programme across school including LKS2 where appropriate – 3 days consultancy support and CPD, resources, Leadership time, access to Oxford Owl website, access to the Read Write Inc Portal.	Evidence from Education Endowment Foundation – Teaching and Learning Toolkit: Teaching Mastery = + 5 Months Reading Comprehension Strategies =+6 Phonics =+5 Within Class attainment grouping = +2 Evidence from Education Endowment Foundation - The Guide to Pupil Premium: A tiered approach To Spending	1 2 5 6 7
Leadership – Instructional coaching model adopted Read Write Inc Reading KS2 Assessment for Learning Early Career teacher	DFE research states that instructional coaching ‘raises standards of teaching by harnessing staff’s own potential and helps teachers to successfully coach each other.’	1 2 5 6 7
Developing metacognition strategies	Evidence taken from the Education Endowment Foundation – Teaching and Learning Toolkit: +7 months	1 2 3 5 6
Appointment of a Curriculum Leader across the whole school. Consistent approach Long Term, Medium Term and Short term planning. Subject leadership time to develop planning and monitor teaching and learning. Information shared with parents on the web-site.	Evidence from Education Endowment Foundation - The Guide to Pupil Premium: A tiered approach to spending	1 2 5

Engagement in ATLP curriculum development groups	Evidence from Education Endowment Foundation – Teaching and Learning Toolkit: Teaching Mastery = + 5 Months	1 2 5
--	---	-------

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: c.£ 28,425

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p><i>Reading Plus</i> Reading Intervention - all pupils in KS2 that can decode – Reading Plus programme at least three times a week.</p> <p>'Libresoft' Restocking of books for the library offering a wider choice for pupils.</p>	<p>Evidence within school that our pupils who constantly work on the programme, make accelerated progress.</p> <p>A full school license. (c.£9,000 3 years)</p> <p>Reading Comprehension Strategies =+6</p>	1 2 5 6 7
<p><i>RWI Catch up Mentor</i> Additional support for children requiring one to one tutoring and small group teaching</p>	<p>Evidence from Education Endowment Foundation – Teaching and Learning Toolkit: Individualised instruction = + 4 Months One-to-one tuition = +5 months Metacognition & self-regulation = +7 Months Small group tuition = +4 Months Teaching assistant supervision = +4 Months</p>	1 2 5 6 7
<p><i>Pastoral care:</i> One to one or small groups</p>		6
<p><i>1:1 and Small Group tutoring and booster classes:</i> Class teachers.</p>		1 2 5 6 7

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £19,546

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>EWO sessions for PP pupils below 90% attendance and with poor punctuality</i>	Evidence from Education Endowment Foundation - The Guide to Pupil Premium: A tiered approach To Spending.	3
<i>Pastoral Support – 5 x PM one to one or small groups</i>	Social and Emotional Learning =+4 months	6
<i>Music tuition – Whole class teaching of Music in Year 3 and 5 alongside subsidised peripatetic teaching for disadvantaged pupils</i>	Evidence from Education Endowment Foundation - The Guide to Pupil Premium: Arts participation =+3 months	2 3
<i>Access to wider curriculum activities such as residential trips – subsidised for disadvantaged pupils</i>	Evidence from Education Endowment Foundation - The Guide to Pupil Premium: A tiered approach to spending.	ALL

Total budgeted cost: c.£85,317

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

Year	PP Pupils	READING (exp+)		WRITING (exp+)		MATHS (exp+)	
		PP	Non-PP	PP	Non-PP	PP	Non-PP
EYFS	5	80%	88%	60%	80%	60%	80%
1	8	63%	69%	50%	54%	75%	63%
2	5	60%	61%	60%	58%	60%	68%
3	8	88%	80%	63%	74%	50%	83%
4	7	57%	73%	57%	70%	71%	70%
5	6	67%	89%	67%	77%	50%	74%
6	8	88%	92%	88%	86%	63%	69%

There has been good progress in our intended outcomes for the disadvantaged children who attend Coton Green Primary School.

The table above outlines that pupil Premium children are broadly in line with their peers across the school, although this is variable across the year groups and the subjects. High quality teaching and targeted support have all impacted positively across the school.

Reading:

Reading has been a priority for the school, rightly so as we believe this gives all children access to all curriculum areas. School led tutoring and other funded interventions, based on accelerating progress in reading, have led to Disadvantaged pupils reading well, as well as their peers, at all levels across the school. The impact of this has been shown in the school's outcomes:

- EYFS 80% disadvantaged children ARE
- Y1 Phonics- 100% disadvantaged passed. 97% whole school.
- Y2 Re-take phonics. 100% Pupil Premium passed. 100% whole school.
- KS1 Pupil Premium are in line with non-Pupil Premium within school.
- KS2 At the end of KS2, disadvantaged children made accelerated progress to match their peers attainment in school. This exceeded the national attainment for all pupils of 74%

Pupil Premium were targeted directly for school led tutoring. 35 (75%) Pupil Premium children took the offer of teacher led tutoring during Spring and Summer terms. Children made good progress in these teacher led groups. For example: In the Read Write Inc teacher led sessions in Year 1 and 2, 100% pupil premium children made expected progress, while 60% made accelerated progress.

Social, Emotional and Mental Health:

Well targeted and effective pastoral support has meant that many of the pupils, both pupil premium and non-pupil premium, have been appropriately supported. Nearly half of the children that are disadvantaged are able to be supported by the pastoral leads within school. Successes have meant that children with social and emotional needs have been identified. Over a third of pupil premium children have been engaged in extra-curricular activities and had opportunities to represent their peers on School Council and as House Captains. This compares favourably with their peers in school.

Attendance and punctuality have been monitored by Senior Leadership team who have worked closely with the Staffordshire Local Authority Education Welfare Officer. The attendance for Pupil Premium children this year has been 93%. This in line with the whole school's figure of 94.2%. Attendance for most year groups is above the national for pupil premium children.

Strategic leadership is the key driver in the successes. For example: Read Write Inc Leader has dedicated leadership time for assessing spot-light children which includes those who are Pupil Premium.

Moving our Pupil Premium children forward, the school is now using the high-quality teaching, targeted support, School led tutoring in the areas of writing and Maths for children moving into Y4 and Y6.

July 2022

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
RWI – including consultancy support to provide support for implementation of phonics Scheme	Oxford Owl Oxford University Press
Reading Plus	Reading Solutions
Entrust Music Service	Entrust Education Services

Service pupil premium funding

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	School does not currently have children of service personnel
What was the impact of that spending on service pupil premium eligible pupils?	N/A

V 1 2022-2023

Mrs E. Pursehouse- Pupil Premium Champion

Mr R Osborne- Head Teacher
