**As of this Friday Mrs Evans will no longer be teaching in school. Chestnut class will now be taught full time by Miss Wesley, who is looking forward to her new role.**

**Mrs Evans will still be part of the Coton Green staff team and will continue to work in school on a part time basis as her role of Special Educational Needs Coordinator in school will stay the same. She will continue to be the point of contact for those of you who have children with additional needs and you can email Mrs Evans at [senco@cotongreen.staffs.sch.uk](mailto:senco@cotongreen.staffs.sch.uk) or pop into the school office to request a call or leave a message.**

**I am sure you will all join us in wishing her well in her new venture and we thank her for her years of commitment, dedication, and hard work here at Coton Green learning family.**

**Kind Regards**

**Mr Osborne**

# BE SMART ONLINE

# S

## SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

# M

## MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

# A

## ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

# R

## RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

# T

## TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline - 0800 11 11 or [www.childline.org.uk](http://www.childline.org.uk)

## BE SMART WITH A HEART

Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
